6. New Business

- **Gaming account checks** – re printing new checks: Glen costed out getting two stamps at Staples with the centre's address and a second signature line, one for each account - \$29.50 per stamp with the address and a second signature line. Rebecca looked at getting new checks printed – it is cheaper to purchase two stamps to update the checks.

Motion to purchase two stamps to update checks as required.

Moved: Gil

Seconded: Rebecca

- **Burns Lake Outreach** - New member from Burns Lake attended January 9 open house and asked Robyn about networking with other PG centre members in Burns Lake – Robyn checked the member list and there are no members in Burns Lake. Followed up with an email to him that his query would be added to the next business meeting agenda for discussion.

- Discussed offering a form of outreach to the Burns Lake member, and the Burns Lake community. Ideas included broadcasting open houses. Glen raised that we have streaming equipment that we purchased from grant funds that could be used for outreach to Burns Lake.

Action: Malhar will test the streaming equipment at the observatory and run a video through a YouTube channel, and outline the details required for streaming open houses.

Sage 50 – Accounting program – software purchase will cost \$73.50 per month.

- Discussion – look at purchasing Sage 50, and installing it on a computer located at the Observatory, that the Treasurer can remote in to the computer and perform the financials. Look at business or non-profit pricing.

- Malhar – many accounting software are now available online. These online servers are secure – this could be an option for Rebecca as well.

Action: Rebecca will reach out to Rob about what he found out about alternative options.

Action: Rebecca will reach out to Sage 50 to get the non-profit rates.
